ALFA

What's PRĀCTĪK ?

Details that make the difference

In ALFA, we are aware of the **importance of little details** and the great change they can mean. That is why we have designed the new PRACTIK serie paying special attention to the small aspects of the machine that will help you to achieve the greatest comfort while sewing.

Bearing in mind that enjoyment and comfort are two terms that belong together, PRACTIK models **incorporate facilities** for a more effective sewing.

What's new in PRĀCTĪK?

Automatic needle threader

One step automatic buttonhole

Illuminated stitch viewer

PATENTED
DESIGNED BY ALFA

→ *Powerful machine that sews jeans*

- **70 W sewing power** used 100%.
- Better fluidity of the fabric thanks to its **6 piece of feed dog**.

Great stability without vibrations ←

- **Metallic chassis** with high stiffness.
- **Adjustable foot** to avoid swaying.
- **Support surface** 100% used.

→ *Strenght & durability*

- Feed dog movement system by metallic crank.
- **High quality materials**: metallic bobbin holder, presser foot holder and chassis.
- **White LED light** of high luminosity

Comfort and ease of use ←

- **Very silent** machine: isolated motor.
- Accessible **stitch reversal button**.
- Wider **working area**. Optional **extension table**.
- **Good visibility** of the whole working area.

→ *Ecofriendly packaging*

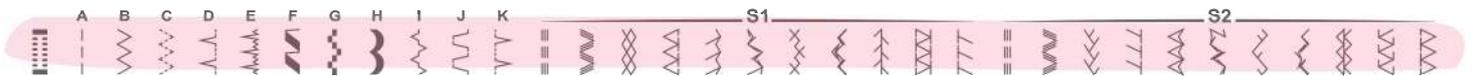

In ALFA we feel the responsibility of **taking care of the planet we are leaving in** and that is why we have designed this ecofriendly packaging for the PRACTIK serie.

PRÄCTIK 9
