Extra wide table

An extra wide extension table is included, providing a larger, more stable workspace to support bigger projects and improve comfort while you embroider.

Embroidery hoops

Includes embroidery hoops with a maximum size of 200 x 360 mm, ideal for larger, detailed designs. The RE36b hoop features a spring-loaded clamp for quick and easy hooping.

Built-in superior needle threader

Enjoy effortless setup with one-action needle threading, thanks to the built-in superior needle threader that makes getting started quick and simple.

Artistic Digitizer Jr Software

Included software enables you to edit embroidery designs & images, work with built-in fonts, layout designs in single hooping or multiple hoopings plus more.
