

# **COMBINATION SEWING & EMBROIDERY**

Premium Features to Help Upgrade Your Sewing and Embroidery Skills

Built-in Embroidery Designs, Frame
Pattern Combinations, and Lettering Fonts

258 built-in embroidery designs, 140 frame pattern combinations, and 13 lettering fonts for your embroidery side.

Built-in Stitches, Buttonhole Styles, and Fonts

291 built-in stitches, 10 styles of one-step auto-size buttonholes, and 5 sewing lettering fonts for your sewing side.

Large Work Area

A maximum embroidery field of 6" x 10" can accommodate large projects, and the sizeable 8.3" from needle to arm gives you more room to easily maneuver fabric. Plus, the compact faceplate provides better visibility for changing needles

### Colour Display

A brilliant and sharp 4.85" colour LCD touch screen display welcomes you with an easy user interface. Here, you can do on-screen editing, including letter editing, enhanced zoom, resizing, rotating, repositioning, drag and drop, and combining designs.

#### • Wireless Capability

Send designs wirelessly from your PC<sup>+</sup> to your machine when connected to a wireless network, using Design Database Transfer. (No USB needed.)

### Automatic Height Adjuster (AHA)

Keep a steady stitch length on all fabric thicknesses by keeping the presser foot pressure consistent, leading to uniform stitch quality across uneven surfaces.

My Custom Stitch

This enhanced feature allows you to combine and edit custom and built-in stitches for a truly customized approach.

### Up to 850 Stitches Per Minute

Efficient and fast, embroider and sew designs at up to 850 stitches per minute so that you can create more in less time.

#### Long List of Included Accessories

From a Zigzag Foot and Free-Motion Open Toe Quilting Foot to a soft cover and reference guide, you can start creating right out of the box.

# **Basic Features**

LCD Display Size Inches	Diagonal 4.85"
Display (Number of Colours)	260,000
Stitch Select	Touch Panel and Touch Sensor
