Overlock × Sewing Machine

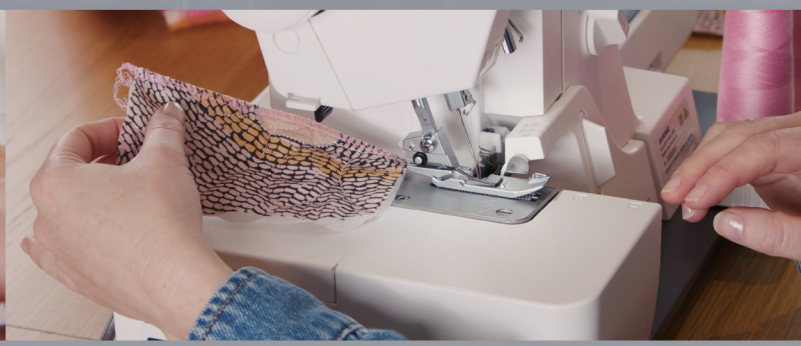

SewSwitch 30

*A Smart **Combination** of Two Functions*

SewSwitch brings sewing and overlock together in one clever little package.
One machine, two functions and plenty of room for whatever creative idea comes next.

Sewing Machine

Computerised machine featuring 30 built-in stitches, 3 one-step buttonholes and sewing speed up to 820 stitches per minute. Enjoy a 7mm stitch width, built-in needle threader, start/stop button, speed slider, needle up/down and 7-piece feed dog for smooth, precise fabric feeding.

+

Overlock Machine

Achieve professional finishes with the easy-to-use 2-thread overlocker. Trims fabric and creates neat overedge finish with adjustable stitch length and cutting width. Plus rolled hem. Colour-coded threading guides and quick-change settings make overlocking simple and versatile.

SewSwitch 30
