

SOFTWARE UPGRADE FOR YOUR LUMINAIRE INNOV-ÍS XP1

With included tools to help inspire your innovative projects

Included 270 x 270mm Large Embroidery Hoop

Create large embroideries with
the included hoop.

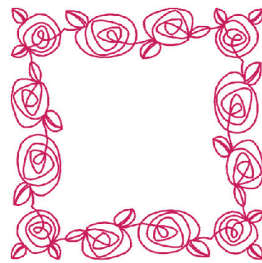

Couching and Dual Couching Embroidery Kits

Includes couching embroidery foot, couching dual
feed foot, 2 yarn guides, threader,
and 40 couching patterns.

75 Included Embroidery Patterns

Including five embroidery patterns designed for the large 270 x 270mm hoop.

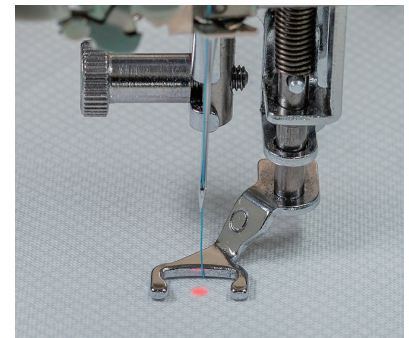

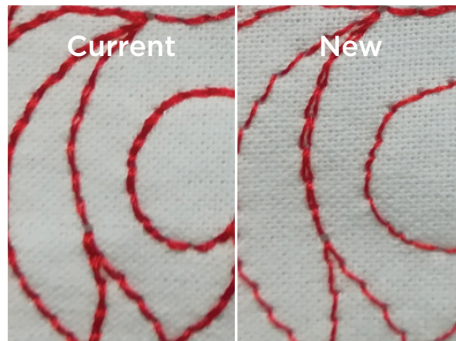

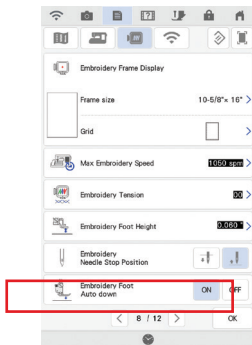

Auto Split Quilting Sash

Create beautiful sashing and border patterns sized perfectly for your quilt, now up to 300 x 300mm! Choose from 15 different motifs. Patterns are split automatically for your selected hoop. New tools make precise matching easy.

My Stitch Monitor Application

Monitor the progress of your embroidery and get alerts when it's time to change threads, when embroidery is finished, or when your machine needs attention, directly from your iOS or Android device.*

Auto Presser Foot Lift in Embroidery

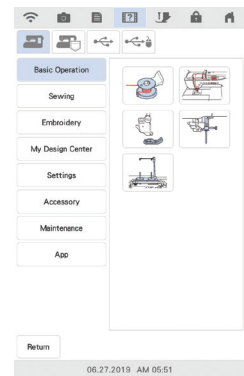

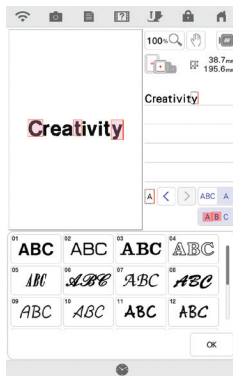

The presser foot is lowered automatically in Embroidery Mode when the Start/Stop button is pressed.

Added Decorative Fill Options

Enjoy creating with six brand new fill patterns. Plus, choose between single stitch/lite or triple stitch/thick for all 36 decorative fill patterns.

Free Motion Needle Point Positioning Marker

See the location of your needle drop point when in free motion mode with the projected marker light.

Advanced Editing of Embroidery Letters

New multi-select function allows you to select and edit multiple letters at the same time.

Enhanced Colour Shuffling

Temporarily save generated combinations to a favorites page. View all of your favorites at once to compare and select.

Added Built-in Tutorial Videos

Added how-to videos for Couching in Embroidery, Enhanced Auto-Split Quilt Block Sashing, Free Motion Basting, and the My Stitch Monitor App.
