

Brother gets Personal

.....

Brother is pleased to introduce a brand new Ribbon and Decorative tape range that will allow you to get really creative and personal with your label printing.

Print ornate ribbons and tapes that you can use to personalise your sewing space, craft room and accessories. Adding that special extra touch to your craft or sewing project is easy and fun with eight quality satin ribbons and decorative tapes to choose from. You can also create custom text and patterns, borders and frames which can be added to your tape / ribbon design.

.....

Brother gets Personal

The Decorative tapes allow you to organise your space in style with four different modern and trendy patterned backgrounds including hearts, checks and elaborate silver and gold patterns.

Add artistic touches to your own crafted décor, furnishings, gifts, centrepieces and so much more - you'll be amazed with the amount of creative projects where you can use these versatile ribbons and tapes.

- High quality ribbons can be used to personalise your sewing accessories.
- Make your own supplies stand out in the crowd with decorated labels.
- Advertise your business with bespoke ribbons and get a professional finish.
- Stylish ribbon designs mean you can easily locate your small items.

For only \$24.95 RRP each, start collecting and get personal today!
