FEATURES

- Revolution Air**
Using the Revolution Air threading system leads you to the most convenient way for threading both the needles and loopers.
- Extraordin Air**
Air threading loopers with one push of a button which saves you time and trouble from the traditional looper threading way.
- ATD (Automatic Thread Delivery)**
ATD System delivers the required length of thread for a perfectly balanced stitch - without tension adjustments.
- Wave Stitch**
A specialized stitch to take your creativity to new levels, which is exclusive to Baby Lock Machines.
- Jet-Air**
With a push of the Jet-Air lever, thread is sent through the loopers.
- Auto Drop Feed**
Feed dog is automatically lowered when presser foot is raised.
- Knee Lifter**
Keep both hands free for extra control on detailed stitching.
- Magnet Holder**
A magnet holder set on top of the built-in accessory storage for storing needles.
- Built-in Needle Threader**
Easy, stress-free needle threading, everytime.
- Foot Height - 6mm**
Allows you to easily work with thicker fabrics.
- LED Lighting**
Bright LED lights let you see the stitch, fabrics and threads clearly.

Baby Lock Comparison Chart

		Gloria	Accolade	Acclaim	Enlighten	Victory	Enspire	Euphoria	Cover Stitch
		BLETS8	BLS8	BLES4	BLE3ATW-2	BLS3	BLE1EX	BLC4	BLCS-2
		8 Threads			4 Threads			Cover stitch	
Stitch Variation	Combination Stitch	8/7/6/5/4 Thread Stitch capacity with combination of overlocking and cover stitching.							
	4-Thread Overlock	4-Thread Stitch provides overlocking and seaming at one time, and this stitch is perfect for stretch fabrics.							
	3-Thread Overlock	3-Thread Stitch is suitable for overlocking and seaming for light weight fabrics.

Accessory Feet Pack

Overlock

*Part No. A-6EU

Included items:

- *Beading Foot (B5002-01A-C)
- *Piping Foot 3mm (B5002-02A-C)
- *Piping Foot 5mm (B5002-03A-C)
- *Blindhem Foot (B5002S02A)
- *Gathering Foot (B5002S03A)
- *Elasticating Foot (B5002S01A)

Accessory Feet Pack

Overlock
Coverstitch

*Part No. A-6TA8

Included items:

- *Beading Foot (B5002-04A-C)
- *Piping Foot 5mm (B5002-05A-C)
- *Blindhem Foot (B5002S06A)
- *Gathering Foot (B5002S07A)
- *Elasticating Foot (B5002S09A)
- *Lace Foot (B5002S08A)

Trim Bin

*Part No. 900N

Use this trim bin to keep your sewing area tidy. The trim bin catches all your cut fabrics as you overlock. Fits all Baby Lock models. Part No: 900N

Clear Foot

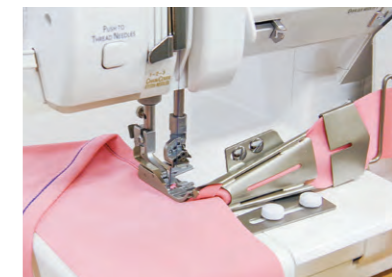

Use the clear foot for better visibility when attaching ribbons and lace, or for guiding lightweight decorative stitching. Part No: **B5002K02A** (BLES4, BLS3, BLE3ATW-2, BLE1EX) **B5002S14A** (BLETS8, BLS8) **B5002S17A** (BLC4, BLCS-2)

Curving Foot

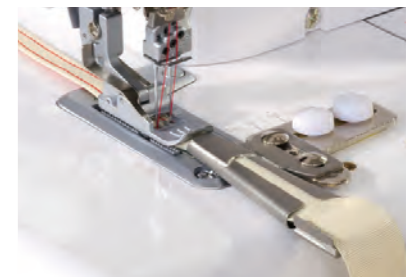

The Curve Foot is suitable when stitching a curve because its length is short and sole is flat. Good for: Sewing cuffs, necklines and kids wear. (Use with coverstitch or overlocking.) Part No: **M0-36A09** (BLETS8, BLS8 & BLC4)

Knit Binders

The Knit Binders will turn fabric strips into binding and attach to your project edge all in one step to give you a professional finish. Double Fold Part No: **D13-4-08E - 8mm, D13-4-10E - 10mm, D13-4-15E - 15mm** (BLETS8, BLC4, BLCS-2) Recommended for Knit Fabrics

Belt Loop Binder

You can easily make a belt loop simply by setting and feeding your fabric into the belt loop folder attachment. Part No: **B0421S12A-19mm, B0421S11A-38mm** (BLETS8, BLS8, BLC4, BLCS-2)
