

000268. 3D Christmas Tree Card

Material

- Paper/Cardstock – 5 kinds
- Colored foil – 2 kinds
- Ribbon printed with Christmas message – Approx. 30 cm (11.8") long
- Glue or double-sided tape

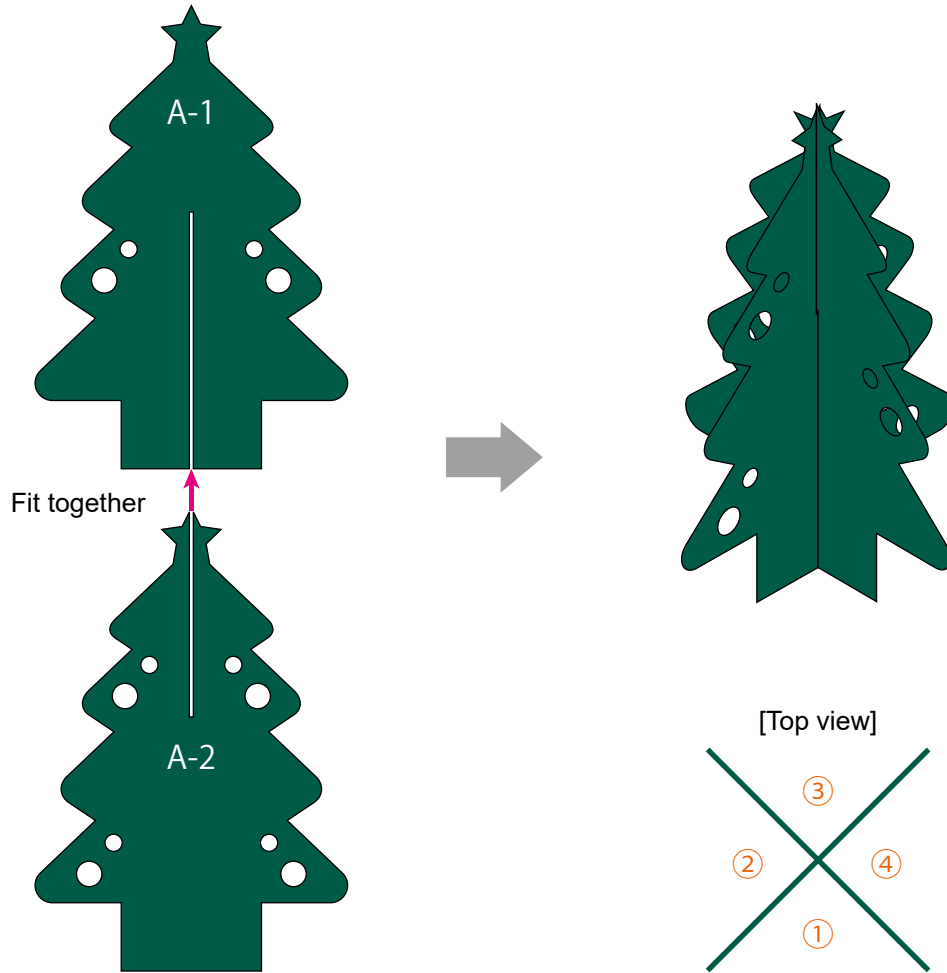

(1) Cut parts A and B. Use slightly thicker paper for parts A-1 to A-4. Cut parts B-6 and B-7 from the colored foil.

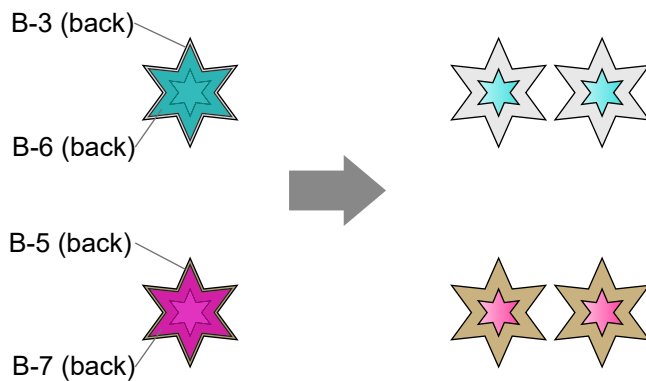

The star-shaped cutouts from B-2 and B-4 will also be used.

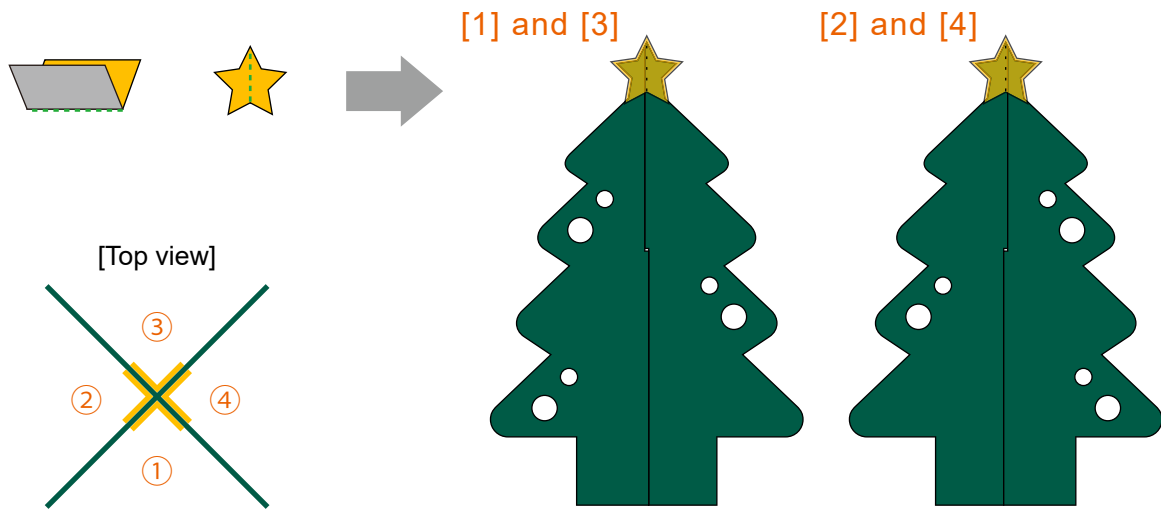

(2) Fit together the slits in A-1 and A-2 to form a cross as shown below.

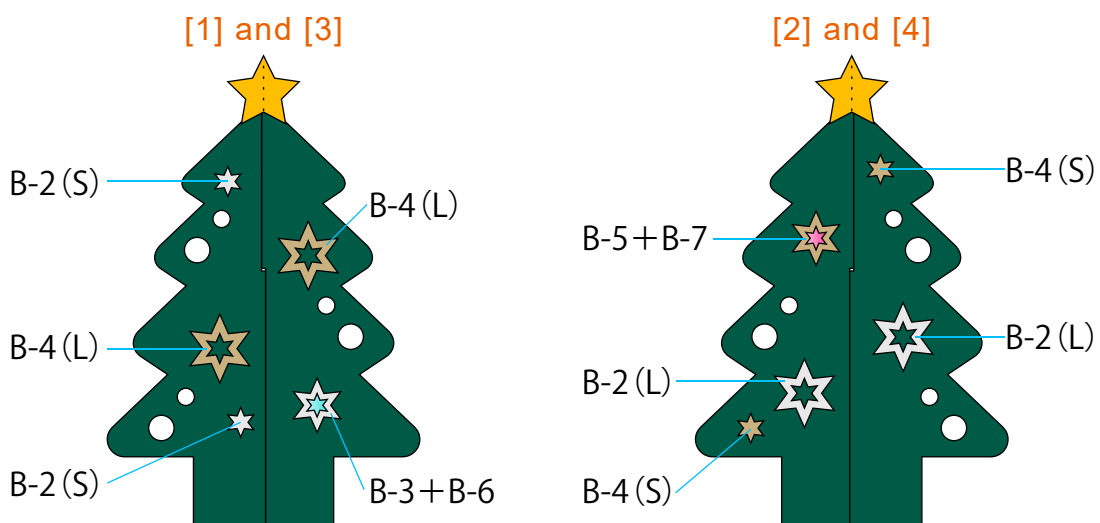

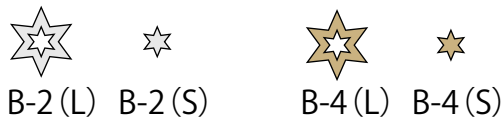

(3) Glue together parts B-3 and B-6 and parts B-5 and B-7 as shown below.

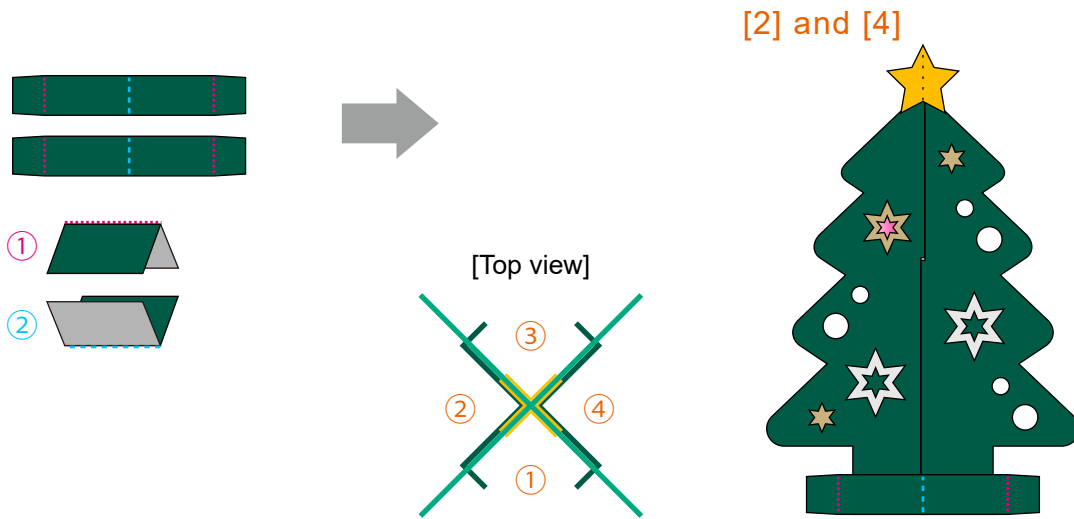

(4) Fold B-1 along the dotted lines, and then glue to the top of the tree assembled in step (2), as shown below.

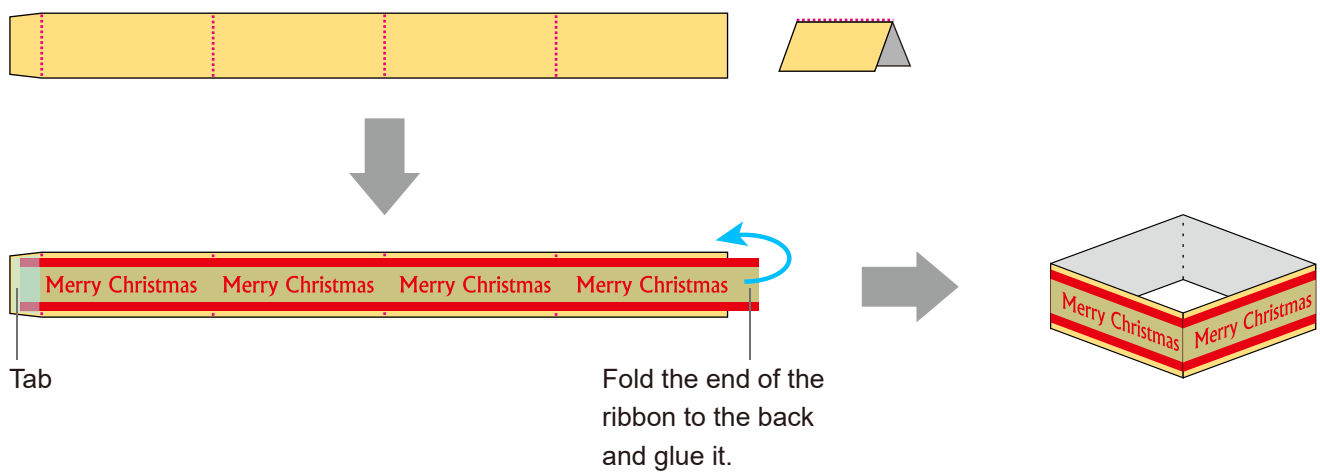

(5) Glue on the remaining stars as shown below.

(6) Fold A-3 along the dotted lines, and then glue to the bottom of the tree assembled in step (5), as shown below.

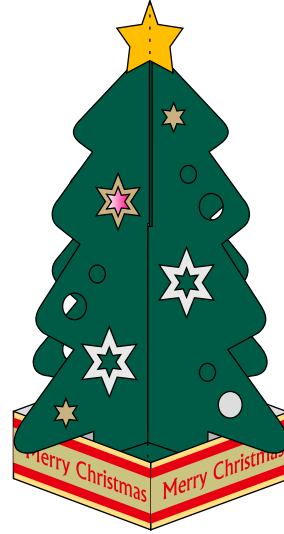

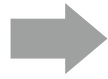

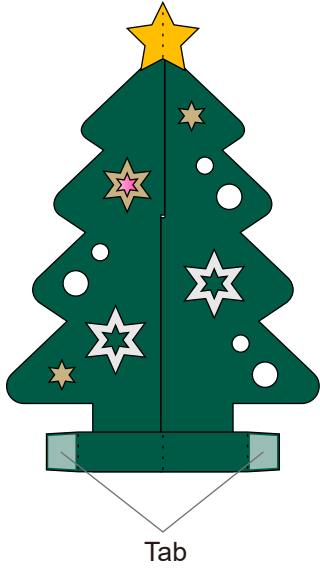

(7) Fold A-4 along the dotted lines, and then glue on the ribbon, as shown below. Glue the tab to form the base.

(8) Place the tree assembled in step (6) inside the base assembled in step (7), and then glue the tabs to the inside of the base, as shown below.
